

Together, we are his house, built on the foundation of the apostles and the prophets. And the cornerstone is Christ Jesus himself. We are carefully joined together in him, becoming a holy temple for the Lord. Through him you Gentiles are also being made part of this dwelling where God lives by his Spirit.

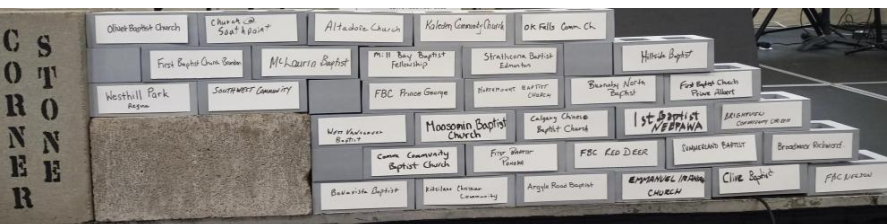

~ Ephesians 2:20-22 (NLT)

Oh Lord, I did not recognize it, but my life was once without direction or purpose. My desires flitted from fancy to fancy, all of which were to satisfy my own will, but which ultimately fell short. I longed for something more, something greater than myself.

And there you found me. You showed me the true and perfect anchor for my life, Christ Jesus, who can direct my path without error, and with purpose.

More than this, you have enfolded me into your family, built into your Holy temple which is the body of Christ. It is made up of diverse and unique people, and all its members unified in the Salvation that has been given through Christ.

Continue to shape and fit me into this wonderful temple of your dwelling, for your glory and your honor, forever. Amen
